What are copayments?

Copayments are reduced fees that you pay directly to the dentist for some dental treatments. A partial list of some frequently used dental treatments is included in this brochure. This list shows you the potential savings with this Plan versus what you would pay without this Plan.

Cosmetic dentistry

We understand the importance of your appearance. That's why we have included cosmetic services, such as bleaching and bonding procedures, in your plan benefits.

Orthodontic benefits

The Secure Choice Plan includes reduced fees on Orthodontic procedures for children and adults. Plan Orthodontists provide reduced fees of 25% off his or her normal retail charge. Orthodontic services are available only in areas where this Plan has Plan Orthodontist(s) who provide those services. Orthodontic treatment begun prior to your plan effective date is not eligible for this benefit.

Specialist benefits

Should the services of a specialist (for example, oral surgeon, endodontist, orthodontist, periodontist, or pedodontist) be necessary you may seek treatment from any Plan Specialist listed in our printed or online directory. If an oral surgeon, orthodontist, periodontist or pedodontist provides treatment you will receive 25% off that specialist's normal retail charges. For treatment by an endodontist you will receive 15% off that specialist's normal retail charges. Specialist services are available only in areas where this Plan has Plan Specialist(s). Please note that payment for a service performed by a Non-Plan Specialist is your responsibility.

When will I receive a membership card?

Once your application has been processed, we will provide you with a membership card, the Individual Dental Service Agreement, and a complete list of copayments. Your effective date will be provided with your membership materials.

What if I need to change my dentist?

You may change dentists by simply calling the Customer Service Department at 800-380-6347.

How do I receive care?

After your effective date, phone the dentist you selected, and tell the office that you have coverage. They will schedule your appointment to see the dentist.

Who is eligible?

You, your spouse and dependent children as defined by state law.

When do I renew my dental plan?

If you select the annual payment method, a renewal notification and billing statement will be provided to you in advance of your anniversary date. If you select the monthly bank draft method for payment, no action is required to renew your dental plan.

Renewal/Cancellation/Termination

This Plan renews at each yearly anniversary of the effective date. Company and Subscriber each have the right to terminate the Plan with prior written notice. Please consult the Individual Dental Service Agreement for details concerning renewability, cancellation and termination.

Sample Copayments for the Secure Choice Plan

The following is a sample of some frequently used dental procedures. When you enroll for the plan, you will pay reduced fees called copayments. These reduced fees are only available from providers who participate in our network. After you enroll, a complete list of copayments will be provided to you along with your Individual Dental Service Agreement. The sample below demonstrates potential savings with the Secure Choice plan and may not reflect your actual results. Please see the copayment schedule for a complete list of services covered by the plan.

The Plan Dentist you select may not perform all procedures listed. The copayments shown apply to those Plan Dentists who perform those services. Therefore, you are encouraged to discuss availability of the scheduled services with your Plan Dentist. Charges for procedures not listed on the Copayment Schedule that are performed by your Plan Dentist are not covered under the Secure Choice plan.

Should you require dental services that your selected Plan Dentist is unable to provide, you may obtain those services from a Plan Specialist at a reduced rate. No referral is needed from your Plan Dentist in order for you to obtain services from a Plan Specialist. There is no applicable copayment schedule for Plan Specialist services. Instead, the following reductions off the Plan Specialist's normal retail charges apply to all services received from a Plan Specialist. A 15% reduction applies if the Plan Specialist is an endodontist. A 25% reduction applies if the Plan Specialist is any other type of specialist, including but not limited to an orthodontist. You are responsible for paying the entire reduced charge at the time the service is received, or in accordance with the Plan Specialist's billing procedures.

Payment for each service of a Non-Plan Dentist or Non-Plan Specialist (at that provider's normal retail charge) is your responsibility, except for limited Plan Benefits for covered dental Emergency Services for temporary pain relief.

Availability and participation of Plan Dentists and Plan Specialists are subject to change.
